

GEEPLUS OPENING TIMES FOR CHRISTMAS

Apart from the mandatory closing dates of December 25, 26, 31 2018 and Jan 1, 2019, Geeplus will close the European site 24th December-2nd January but keep Japan and US open over Christmas. Japan is then closed over New Year when Europe opens again. This in order to talk to customers, despatch orders and provide the service our customers have come to expect.

Our office hours in our different sites during the Christmas holidays are as follows:
